

Professional, Statutory and Regulatory Bodies (PSRB) Register

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
PgC	Academic Practice	CELT	Higher Education Academy (HEA)	This course is accredited by the professional body.	November 2021	August 2026
BA (Hons)	Accounting and Financial Management	School of Engineering, Arts, Science and Technology	The Institute of Chartered Accountants in England and Wales (ICAEW)	This course is accredited by the professional body for the purpose of exemption from some professional examinations.	January 2020	January 2021
MSc	Adult Nursing	Nursing, Midwifery and Public Health	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	April 2023	Approval of the institution and programme will be indefinite
BSc (Hons)	Adult Nursing	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	July 2019	Approval of the institution and programme will be indefinite
BSc (Hons)	Adult Nursing [degree apprenticeship]	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	September 2019	Approval of the institution and programme will be indefinite
BSc (Hons)	Adult Nursing [Degree Apprenticeship] [2 and 4 years]	Nursing, Midwifery and Public Health	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	May 2023	Approval of the institution and programme will be indefinite

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
BSc (Hons)	Adult Nursing [Degree Apprenticeship] [3 years]	Nursing, Midwifery and Public Health	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.		Approval of the institution and programme will be indefinite
MSc	Advanced Clinical Practice	Nursing, Midwifery and Public Health	Centre for Advancing Practice	This course is centre accredited.	June 2025	Approval of the institution and programme will be indefinite
MSc	Advanced Clinical Practice [degree apprenticeship]	Nursing, Midwifery and Public Health	Centre for Advancing Practice	This course is centre accredited.	June 2025	Approval of the institution and programme will be indefinite
PgC	Advanced Practice and Reporting in Computed Tomography Colonography	School of Health and Sport Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	December 2018	December 2023
BA (Hons)	Architecture	School of Engineering, Art, Science and Technology	Architects Registration Board (ARB)	The BA (Hons) Architecture is prescribed with the Architects Registration Board (ARB) as Part 1. Successful completion of the degree carries exemption from the ARB/RIBA Part 1, which is the first stage in qualifying as an architect. Only those who complete all three parts of the ARB/RIBA requirements, will be able to register as an architect in practice in the UK.	May 2021	May 2025
BA (Hons)	Architecture	Technology, Business and Arts	Architects Registration Board (ARB)	The BA (Hons) Architecture is prescribed with the Architects Registration Board (ARB) as Part 1. Successful completion of the degree carries exemption from the ARB/RIBA	July 2024	N/A accreditation to cease on 31 December 2027

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
				Part 1, which is the first stage in qualifying as an architect. Only those who complete all three parts of the ARB/RIBA requirements, will be able to register as an architect in practice in the UK.		
BSc (Hons)	Biomedical Science Biomedical Science (with Foundation Year)	School of Engineering, Arts, Science and Technology	Institute of Biomedical Science (IBMS)	This course is accredited by the professional body.	January 2020	September 2024
BSc (Hons)	Biological Sciences Biological Sciences [with Foundation Year] Biological Sciences (with Professional Placement)	School of Engineering, Arts, Science and Technology	Royal Society of Biology	This course is accredited by the Royal Society of Biology for the purpose of meeting in part the academic and experience requirement for Membership and Chartered Biologist (CBiol).	2020/21	August 2026
BSc (Hons)	Biomedical Science Biomedical Science (with Foundation Year)	Allied Health Sciences	Institute of Biomedical Science (IBMS)	This course is accredited by the professional body.	September 2024	2028
BA (Hons)	Business Management	School of Engineering, Arts, Science and Technology	Institute of Leadership and Management (ILM)	This course is mapped to the ILM Level 5 Certificate in Leadership and Management.	August 2021	
CertEd	Certificate in Education	Suffolk New College	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.		Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
CertEd	Certificate in Education	East Coast College	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.		Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
FdA	Children's Health, Play and Wellbeing	East Coast College	Department for Education	This course fully meets the Level 3 (EYE) criteria needed to be considered to be full and relevant in line with the Level 3 (EYE) requirements.	August 2024	
BSc (Hons)	Children's Nursing	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	July 2019	Approval of the institution and programme will be indefinite
BSc (Hons)	Children's Nursing [Degree Apprenticeship] [3 years]	Nursing, Midwifery and Public Health	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.		Approval of the institution and programme will be indefinite
FdSc	Civil Engineering	Suffolk New College	Joint Board of Moderators (JBM)	This course is accredited by the professional body.	February 2017 (for intakes starting in September 2016)	2021/22
BSc (Hons)	Civil Engineering [progression route]	Suffolk New College	Joint Board of Moderators (JBM)	This course is accredited by the professional body.	February 2017 (for intakes starting in September 2016)	2021/22
	Community Practitioner Nurse Prescribing [V100 module]	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	Approved course by the statutory body.	November 2020	Approval of the institution and programme will be indefinite

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
	Community Practitioner Nurse Prescribing [V150 module]	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	Approved course by the statutory body.	November 2020	Approval of the institution and programme will be indefinite
PgC	Computed Tomography	School of Health and Sport Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	December 2021	December 2026
PgC	Computed Tomography Colonography	Allied Health Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	December 2024	2028/2029 academic year
BSc (Hons)	Criminology and Law	School of Social Sciences and Humanities	Solicitors Regulation Authority (SRA) Bar Standards Board (BSB)	This course is approved by the regulatory/statutory body and is recognised by the SRA and BSB as a qualifying law degree (QLD).	May 2016	The SRA will cease to be involved in the approval or recognition of new QLD courses that start after 31 December 2021
BSc (Hons)	Diagnostic Radiography	School of Health and Sport Sciences	Health and Care Professions Council (HCPC)	This course is approved by the regulatory/statutory body. Upon completion graduates are eligible to apply for professional registration with the HCPC.	March 2016	Open-ended approval subject to successful HCPC annual monitoring/declarations
			Society and College of Radiographers (SCoR)	This course is accredited by the professional body. Upon completion graduates are eligible to apply for membership of SCoR.	2019/20	Will be reviewed with the internal re-approval processes in 2024/25
BSc (Hons)	Diagnostic Radiography	School of Allied Health Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body. Upon completion graduates are eligible to apply for membership of SCoR.	July 2025	2029/30 academic year

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
MSc	Diagnostic Radiography (pr-registration)	School of Allied Health Sciences	Health and Care Professions Council (HCPC)	This course is approved by the regulatory/statutory body. Upon completion graduates are eligible to apply for professional registration with the HCPC.		Open-ended approval subject to successful HCPC annual monitoring/declarations
BSc (Hons)	Digital & Technology Solutions (Network Engineering) [degree apprenticeship]	School of Engineering, Arts, Science and Technology	Society and College of Radiographers (SCoR)	This course is accredited by the professional body. Upon completion graduates are eligible to apply for membership of SCoR.		Will be reviewed with the internal re-approval processes in 2027/28
BSc (Hons)	Digital & Technology Solutions (Software Engineering) [degree apprenticeship]	School of Engineering, Arts, Science and Technology	Tech Partnership Degrees	This course is accredited as Tech Industry Gold by Tech Partnership Degrees, the digital sector's industry accreditation body.		August 2022
PgC	Dual-energy X-ray Absorptiometry	School of Allied Health Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body. Upon completion graduates are eligible to apply for membership of SCoR.	July 2024	2029/30 academic year
HNC	Engineering (General Engineering)	East Coast College	The Energy Institute	This course is accredited by the professional body.	September 2024	August 2029
BSc (Hons)	Games Development Games Development (Design) Games Development (Programming)	Technology, Business and Arts	TIGA	This course is accredited by the professional body.		2026/2027

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
	Games Development [with professional placement] Games Development (Design) [with Professional Placement] Games Development (Programming) [with Professional Placement]					
FdA	Health and Wellbeing (Nursing Associate)	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain entry to the Nursing associates part of the NMC Professional Register.	August 2021	Approval of the institution and programme will be indefinite
FdA	Health and Wellbeing (Nursing Associate) [higher apprenticeship]	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain entry to the Nursing associates part of the NMC Professional Register.	September 2019	Approval of the institution and programme will be indefinite
MSc	International Business and Management	BECE	Institute of Leadership and Management (ILM)	This course is mapped to the ILM Level 7 Certificate in Leadership and Management.	August 2021	
	Learning and Teaching in HE [level 7 module]	CELT	Higher Education Academy (HEA)	This course is accredited by the professional body.	November 2021	August 2026

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
PgC	Magnetic Resonance Imaging	School of Health and Sport Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	December 2021	December 2026
BSc (Hons)	Mental Health Nursing	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	July 2019	Approval of the institution and programme will be indefinite
BSc (Hons)	Mental Health Nursing [degree apprenticeship]	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	September 2019	Approval of the institution and programme will be indefinite
BSc (Hons)	Mental Health Nursing [Degree Apprenticeship] [2 and 4 years]	Nursing, Midwifery and Public Health	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	May 2023	Approval of the institution and programme will be indefinite
BSc (Hons)	Mental Health Nursing [Degree Apprenticeship] [3 years]	Nursing, Midwifery and Public Health	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.		Approval of the institution and programme will be indefinite
BSc (Hons)	Midwifery	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	October 2020	Approval of the institution and programme will be indefinite

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
BSc (Hons)	Midwifery [shortened]	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.	October 2020	Approval of the institution and programme will be indefinite
BSc (Hons)	Midwifery	Nursing, Midwifery and Public Health	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.		Approval of the institution and programme will be indefinite
BSc (Hons)	Midwifery (shortened)	Nursing, Midwifery and Public Health	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body. Upon completion graduates gain first level entry to the NMC Professional Register.		Approval of the institution and programme will be indefinite
Advanced Certificate	Nautical Science	East Coast College	Maritime and Coastguard Agency	This course is accredited by the professional body	September 2019	September 2024
Advanced Diploma	Nautical Science	East Coast College	Maritime and Coastguard Agency	This course is accredited by the professional body	September 2019	September 2024
	Non-medical Independent and/or supplementary prescribing (V300)	School of Health and Sport Sciences	Nursing and Midwifery Council (NMC)	This course is approved by the statutory body.	November 2020	Approval of the institution and programme will be indefinite
			Health and Care Professions Council (HCPC)	This course is approved by the regulatory/statutory body.	September 2017	Open-ended approval subject to successful HCPC annual monitoring/declarations

Award	Course	School/Partner institution	PSRB	Details	Date of last PSRB approval	Date PSRB approval due
BSc (Hons)	Nutrition and Human Health	School of Engineering, Arts, Science and Technology	Association for Nutrition	This course is accredited by the Association for Nutrition. Graduates will be eligible to apply for direct entry to the UK Voluntary Register of Nutritionists (UKVRN) as Registered Associate Nutritionists	May 2023 (for student intakes from September 2023)	2028
BEng (Hons)	Operations Engineering [Progression Route]	East Coast College	The Energy Institute	This course is accredited by the professional body.	September 2024	August 2029
PgC	Paediatric Imaging	School of Health and Sport Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	December 2021	December 2026
BSc (Hons)	Paramedic Science	School of Health and Sport Sciences	Health and Care Professions Council (HCPC)	This course is approved by the regulatory/statutory body. Upon completion graduates are eligible to apply for professional registration with the HCPC.	September 2019	Open-ended approval subject to successful HCPC annual monitoring/declarations
	Pathways for Academic and Support Staff to Professional Recognition of Teaching (PASSPoRT)	CELT	Higher Education Academy (HEA)	This course is accredited by the professional body.	November 2021	August 2026

BSc (Hons)	Physiotherapy	School of Health and Sport Sciences	Chartered Society of Physiotherapists	This course is accredited by the professional body.	May 2022	Approval will be for four to seven years
			Health and Care Professions Council (HCPC)	This course is approved by the regulatory/statutory body. Upon completion graduates are eligible to apply for professional registration with the HCPC.	August 2022	Open-ended approval subject to successful HCPC annual monitoring/declarations

PGCE	Postgraduate Certificate in Education [Billericay Primary SCITT]	Billericay Educational Consortium	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.		Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
PGCE	Postgraduate Certificate in Education [Billericay Secondary SCITT]	Billericay Educational Consortium	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.		Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
PGCE	Postgraduate Certificate in Education [Inspiration Teacher Training Primary SCITT]	Inspiration Trust	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.		Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
PGCE	Postgraduate Certificate in Education [Inspiration Teacher Training Secondary SCITT]	Inspiration Trust	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.		Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
PGCE	Postgraduate Certificate in Education [Suffolk & Norfolk Primary SCITT]	School of Social Sciences and Humanities	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.	The course was last inspected by Ofsted in May 2013.	Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
PGCE	Postgraduate Certificate in Education [Suffolk & Norfolk Secondary SCITT]	School of Social Sciences and Humanities	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.	The course was last inspected by Ofsted in May 2013.	Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
PGCE	Postgraduate Certificate in Education [North Essex Teacher Training Primary SCITT]	School of Social Sciences and Humanities	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.	The course was last inspected by Ofsted in May 2013.	Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process

PGCE	Postgraduate Certificate in Education [North Essex Teacher Training Secondary SCITT]	School of Social Sciences and Humanities	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.	The course was last inspected by Ofsted in February 2014.	Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
	Practice Certificate in Independent Prescribing for Pharmacists (V300P)	School of Health, Sciences and Society	General Pharmaceutical Council (GPhC)	This course is accredited by the statutory body.	May 2025	May 2028
PgC	Practice Educators for Health Professionals	Allied Health Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	December 2024	2028/2029 academic year
PGCE	Professional Graduate Certificate in Education	Suffolk New College	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.		Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
PGCE	Professional Graduate Certificate in Education	East Coast College	National College of Teaching and Leadership (NCTL) Ofsted	This course is accredited by the statutory body (NCTL) and inspected by Ofsted.		Ofsted review in a six-year cycle; the timing of the inspection is determined by the annual risk assessment process
MSc	Professional Practice: Advanced Radiography Practice	School of Health and Sport Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	June 2022	June 2027
BSc (Hons)	Psychology	School of Social Sciences and Humanities	British Psychological Society (BPS)	This course is accredited by the professional body. Graduates who have passed the empirical psychology project and gained a minimum 2:2 overall are eligible to apply	May 2021	2026/27

				for the Graduate Basis for Chartered Membership (GBC).		
BSc (Hons)	Psychology (with Professional Placement; with Professional Placement and Study Abroad; with Study Abroad)	School of Social Sciences and Humanities	British Psychological Society (BPS)	This course is accredited by the professional body. Graduates who have passed the empirical psychology project and gained a minimum 2:2 overall are eligible to apply for the Graduate Basis for Chartered Membership (GBC).	April 2022	2026/27
BSc (Hons)	Psychology and Counselling (with Professional Placement; with Professional Placement and Study Abroad; with Study Abroad)	School of Social Sciences and Humanities	British Psychological Society (BPS)	This course is accredited by the professional body. Graduates who have passed the empirical psychology project and gained a minimum 2:2 overall are eligible to apply for the Graduate Basis for Chartered Membership (GBC).	March 2023	2027/28
BSc (Hons)	Psychology and Criminology	School of Social Sciences and Humanities	British Psychological Society (BPS)	This course is accredited by the professional body. Graduates who have passed the empirical psychology project and gained a minimum 2:2 overall are eligible to apply for the Graduate Basis for Chartered Membership (GBC).	May 2021	2026/27
BSc (Hons)	Psychology and Criminology (with Professional Placement; with Professional Placement and Study Abroad; with Study Abroad)	School of Social Sciences and Humanities	British Psychological Society (BPS)	This course is accredited by the professional body. Graduates who have passed the empirical psychology project and gained a minimum 2:2 overall are eligible to apply for the Graduate Basis for Chartered Membership (GBC).	April 2022	2026/27

BSc (Hons)	Psychology and Sociology	School of Social Sciences and Humanities	British Psychological Society (BPS)	This course is accredited by the professional body. Graduates who have passed the empirical psychology project and gained a minimum 2:2 overall are eligible to apply for the Graduate Basis for Chartered Membership (GBC).	May 2021	2026/27
BSc (Hons)	Psychology and Sociology (with Professional Placement; with Professional Placement and Study Abroad; with Study Abroad)	School of Social Sciences and Humanities	British Psychological Society (BPS)	This course is accredited by the professional body. Graduates who have passed the empirical psychology project and gained a minimum 2:2 overall are eligible to apply for the Graduate Basis for Chartered Membership (GBC).	April 2022	2026/27
MSc	Psychology (Conversion)	School of Social Sciences and Humanities	British Psychological Society (BPS)	This course is accredited by the professional body. Graduates who have passed the empirical psychology project and gained a minimum 2:2 overall are eligible to apply for the Graduate Basis for Chartered Membership (GBC).		2024/25
PgC	Radiographic Reporting of the Chest and Abdomen	School of Health and Sport Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	March 2020	March 2025
PgC	Radiographic Reporting of the Adult Chest	Allied Health Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body.	December 2024	2028/2029 academic year

BSc (Hons)	Radiotherapy and Oncology	School of Allied Health Sciences	Society and College of Radiographers (SCoR)	This course is accredited by the professional body. Upon completion graduates are eligible to apply for membership of SCoR.	July 2025	2029/30 academic year
BA (Hons)	Social Work	School of Social Sciences and Humanities	Social Work England	This course is accredited by the professional body.	Approval transferred from the HCPC in December 2019	Open-ended approval subject to successful annual monitoring
BA (Hons)	Social Work [degree apprenticeship]	School of Social Sciences and Humanities	Social Work England	This course is accredited by the professional body.	Approval transferred from the HCPC in December 2019	Open-ended approval subject to successful annual monitoring
BSc (Hons)	Social Work Social Work [Degree Apprenticeship]	School of Social Sciences and Humanities	Social Work England	This course is accredited by the professional body. Upon completion graduates are eligible to apply for professional registration with the SWE	2021/22 – annual monitoring	2023/2024 periodic review
BA (Hons)	Social Work [degree apprenticeship]	School of Social Sciences and Humanities	Social Work England	This course is accredited by the professional body.	June 2024	2025/2026
BSc (Hons)	Social Work Social Work [Degree Apprenticeship]	School of Social Sciences and Humanities	Social Work England	This course is accredited by the professional body. Upon completion graduates are eligible to apply for professional registration with the SWE	June 2024	2025/2026
