

Bus timetables that serve Ipswich, correct as at 25th September 2026

It can be confusing to know which bus to get, and which stop to get on at, and also bus timetables are just confusing in themselves. So, we have tried to simplify this as much as possible in the below table. You're one stop shop to everything. If you need any more information or if you have any specific accessibility requirements, please contact the Sustainability Team via Minerva (for internal staff and students) or Sustainability@uos.ac.uk (for external parties) and we will be happy to discuss. For the latest bus updates, even before this table is updated, please see [Bus timetables updates - Suffolkonboard](#)
