# Frequent, Sustainable, Easy and Cost-Effective

The new and improved Route 800 service (operated by First Bus) has launched. Operating every 20 minutes, Monday to Saturday, which now includes key stops at:

Martlesham and London Road Park and Rides locations,  
Ipswich Central,  
University of Suffolk,  
BT Adastral Park (some services),  
and once every hour, Rendlesham, Melton,  
and Woodbridge.  
(For other stops, please refer to the route 800 timetable).

Why not give it a try yourself and discover the benefits, including:

1. A more sustainable way to travel to campus, cutting congestion, air pollution, and emissions,
2. Eliminate the daily battle of rush hour traffic and the daily lottery of finding a parking space,
3. Instead, relax! And enjoy a stress-free journey.

## Timing

Every 20 minutes in frequency, Monday to Saturday

[Route 800 timetable](#)

## Hourly

To and from Rendlesham, Melton, and Woodbridge
