This definitive record sets out the essential features and characteristics of the BA Children's Care, Learning and Development [progression route] course. The information provided is accurate for students entering level 6 in the 2017-18 academic year⁵.

Course Summary

For those students who successfully complete the Foundation Degree in Children’s Care, Learning and Development, and who are interested in progressing their studies within the field can progress on to the BA Children’s Care, Learning and Development. Students study early intervention, child health and professional practice. Students are required to take and successfully complete 60 credits. Future employment opportunities exist in schools, children’s centres, playgroups, nurseries, social care and voluntary organisations.

¹ For an explanation of the levels of higher education study, see the [QAA Frameworks for Higher Education Qualifications of UK Degree-Awarding Bodies \(2014\)](#)

² All academic credit awarded as a result of study at the University adheres to the [Higher education credit framework for England](#).

³ Where the course is delivered both full-time and part-time, the standard length of course is provided for the full-time mode of attendance only. The length of the part-time course is variable and dependent upon the intensity of study. Further information about mode of study and maximum registration periods can be found in the [Framework and Regulations for Undergraduate Awards](#).

⁴ Details of standard entry requirements can be found in the [Admissions Policy](#)

⁵ The University reserves the right to make changes to course content, structure, teaching and assessment as outlined in the [Admissions Policy](#).

DEFINITIVE COURSE RECORD

Course Aims

- To ensure in-depth critical understanding of children's development in the context of western society
- To develop and enhance the thorough application of theory to practice through self-negotiated work based learning and reflection
- To develop the skills of an independent learner
- To ensure critical understanding of legislative frameworks and their application to practice

Course Learning Outcomes

The following statements define what students graduating from the BA Children's Care, Learning and Development [progression route] course will have been judged to have demonstrated in order to achieve the award. These statements, known as learning outcomes, have been formally approved as aligned with the generic qualification descriptor for level 4/5/6 awards as set out by the UK Quality Assurance Agency (QAA)⁶.

Knowledge and Understanding

1. Demonstrate detailed and well developed knowledge and critical understanding of theories of children's development and how they can be applied to the children's workforce

Mental or cognitive skills

2. Demonstrate good knowledge and developed critical understanding of legislative frameworks and their application to practice

Subject Specific and Practical Skills

3. Demonstrate the exploration and enhancement of the appropriate values and beliefs for working in the Children's workforce
4. Demonstrate the development and enhancement of the application of theory to practice through work based learning and reflection
5. Demonstrate the development of the skills of an independent learner

Key Skills

6. Demonstrate a range of employability skills

Course Design

The design of this course has been guided by the following QAA Benchmarks:

- Education Studies (2007)
- Early Childhood Studies (2007)
- Psychology (2010)
- Social Policy (2007)

⁶ As set out in the [QAA Frameworks for Higher Education Qualifications of UK Degree-Awarding Bodies \(2014\)](#)

DEFINITIVE COURSE RECORD

- Sociology (2007)

Course Structure

The BA Children's Care, Learning and Development [progression route] comprises modules at level 6.

Module Specifications for each of these modules are included within the course handbook, available to students on-line at the beginning of each academic year.

	Module	Credits	Module Type ⁷
Level 6			
	Practice in Children's Care, Learning and Development	40	M
	Choose one of the following.		
	Intervention	20	O
	Communication in Childhood	20	O
	Child Health	20	O

Awards

On successful completion of the course, students will be awarded a BA Ordinary Degree in Children's Care, Learning and Development.

Course Delivery

The course is delivered at the University of Suffolk at East Coast College (Lowestoft). Students studying full-time on BA Children's Care, Learning and Development [progression route] are likely to have approximately 5 contact hours per week. The contact hours will be a mix of lectures, seminars and VLE activities. Students will normally be expected to undertake approximately 140 hours of independent study per 20 credit module, but should be prepared for this to vary based on assignment deadlines and class exercises.

Course Assessment

A variety of assessments will be used on the course to enable students to experience and adapt to different assessment styles. The assessment methods used will be appropriate to assess each module's intended learning outcomes. Assessment on the course overall will be 100% coursework (including essays, reports, and presentations).

Course Team

The BA Children's Care, Learning and Development [progression route] course is offered at the University of Suffolk at East Coast College (Lowestoft). Details of the academic staff who deliver the course are provided in the Course Handbook.

Course Costs

Students undertaking BA Children's Care, Learning and Development [progression route] will be charged tuition fees as detailed below.

⁷ Modules are designated as either mandatory (M), requisite (R) or optional (O). For definitions, see the Framework and Regulations for Undergraduate Awards

DEFINITIVE COURSE RECORD

Student Group	Tuition Fees
Full-time UK/EU	Not applicable
Part-time UK/EU	£1,454 per 20 credit module
Full-time International	Not applicable
Part-time International	£1,680 per 20 credit module

Students will be required to pay additional costs for the DBS and this is the responsibility of the student or the placement.

Payment of tuition fees is due at the time of enrolment and is managed in accordance with the Tuition Fee Policy. Other than the usual stationery items there are no additional costs. The use of a computer with internet access is an essential part of this course.

Academic Framework and Regulations

This course is delivered according to the Framework and Regulations for Undergraduate Awards and other academic policies and procedures of the University and published on the [website](#).
