UCAS Code	X315

This definitive record sets out the essential features and characteristics of the FdA Children’s Care, Learning and Development course. The information provided is accurate for students entering level 4 in the 2019-20 academic year⁵.

Course Summary

The FdA Children’s Care, Learning and Development is an exciting programme aimed at those students working, or wishing to work, with children aged 0- 11 years. Links between theory and practice will be explored as well as the key issues that impact on children’s development. The changing view of childhood will also be studied as well as the implications of safeguarding for children and practitioners. The student’s own role in the education of children will be examined and how this influences positive outcomes for all children in a constantly changing

¹ For an explanation of the levels of higher education study, see the [QAA Frameworks for Higher Education Qualifications of UK Degree-Awarding Bodies \(2014\)](#)

² All academic credit awarded as a result of study at the University adheres to the [Higher education credit framework for England](#).

³ Where the course is delivered both full-time and part-time, the standard length of course is provided for the full-time mode of attendance only. The length of the part-time course is variable and dependent upon the intensity of study. Further information about mode of study and maximum registration periods can be found in the [Framework and Regulations for Undergraduate Awards](#).

⁴ Details of standard entry requirements can be found in the [Admissions Policy](#)

⁵ The University reserves the right to make changes to course content, structure, teaching and assessment as outlined in the [Admissions Policy](#).

DEFINITIVE COURSE RECORD

landscape. Applications are welcome from those working within the childcare sector and from students who may not have childcare experience but wish to enter this field. A voluntary placement is required for those not already working in a childcare setting. For those students who successfully complete the Foundation degree, and who are interested in progressing within childcare can progress onto the BA (Hons) Children's Care, Learning and Development. The course is suitable as a pathway to primary school teaching although you must also achieve GCSE Mathematics, English and Science and achieved a BA (Hons) progression route.

Course Aims

- To develop and enhance the knowledge and critical understanding of children's development
- To develop and enhance the application of theory to practice through work based learning and reflection
- To explore develop and enhance the skills of supporting children's development and learning
- To develop the skills of an independent learner
- To develop knowledge and critical understanding of legislative frameworks and their application to practice
- To develop and enhance awareness of diversity, rights and the inclusion agenda
- To develop awareness of research methodologies and the application to practice

Course Learning Outcomes

The following statements define what students graduating from the FdA Children's Care, Learning and Development course will have been judged to have demonstrated in order to achieve the award. These statements, known as learning outcomes, have been formally approved as aligned with the generic qualification descriptor for level 5 awards as set out by the UK Quality Assurance Agency (QAA)⁶.

These course aims are broken down into a set of related skills, which are known as learning outcomes.

A. Knowledge and Understanding

By the end of level 4 you should be able to:

- A1. Demonstrate knowledge and critical understanding of theories of children's development.
- A2. Appreciate new principles in the education and care of children
- A3. Begin to demonstrate the relationship between theory and evidence and the links to practice

⁶ As set out in the [QAA Frameworks for Higher Education Qualifications of UK Degree-Awarding Bodies \(2014\)](#)

DEFINITIVE COURSE RECORD

By the end of level 5 you should be able to:

A.4 (FDQB 2010) Apply underlying concepts and principles outside the context in which they were first structured and application of principles in a work context

A.5 Demonstrate knowledge and critical understanding of legislative frameworks and their application to practice.

A.6 Demonstrate an awareness of research methodologies and the application to practice

B. Mental or Cognitive Skills

By the end of level 4 you should be able to:

B.1 Demonstrate the awareness of the impact of sociological aspects on child development.

B.2 Effectively communicate key pieces of information, arguments and analysis within child care and education to audiences from the sector and also to non-specialist.

B.3 Demonstrate a growing awareness of problem solving by asking questions clarifying answers and consideration of alternative solutions

By the end of level 5 you should be able to:

B.4 (FDQB 2010) Use a range of established techniques to initiate and undertake critical analysis of information and to propose solutions to problems arising from that analysis in the field of study and in a work context

B.5 Demonstrate an awareness of the theories of social construction and the child's position within society

B.6 Be proficient at selecting and using a range of primary and secondary sources to extend knowledge and understanding

C. Subject Specific and Practical Skills

By the end of the course you should be able to:

C1 Demonstrate the exploration and enhancement of the appropriate values and beliefs for working in the Children's workforce.

C2 Demonstrate the development and enhancement of the application of theory to practice through work based learning and reflection.

C3 Demonstrate the development of the skills of an independent learner.

C4 Awareness of diversity, equity, rights and inclusion in relation to children 0-11 years

D. Employability Skills

By the end of the course you should be able to:

D1 (FDQB 2010) Qualities and transferable skills necessary for employment and progression to other qualification requiring the exercise of personal responsibility and decision

DEFINITIVE COURSE RECORD

Course Design

The design of the course and outcomes have been guided by the following QAA Benchmarks:

- Foundation Degree Qualification Benchmarks (FDQB) (2010)
- Early Childhood Studies Benchmarks (2014)
- Education Studies Benchmarks (2015)

Course Structure

The FdA Children's Care, Learning and Development comprises modules at levels 4 and 5.

Module Specifications for each of these modules are included within the course handbook, available to students on-line at the beginning of each academic year.

	Module	Credits	Module Type ⁷
Level 4			
	Child Protection and challenges to Safeguarding in a technological age	20	M
	Supporting Children's Development: Theory and Practice	40	M
	Academic and Personal Development	20	M
	Children in Society: Issues for Practice	20	M
	Exploring Multiple Literacies and the Value of Creativity	20	M
Level 5			
	Diversity and Inclusion in British Society: The implications for Practice	20	M
	Sociological Aspects: The changing world of childhood	20	M
	Enhancing Learning and Development through the use of Resources	40	M
	Behaviour: A Critical Reflection	20	M
	Research Proposal	20	M

Awards

On successful completion of the course, students will be awarded a FdA Children's Care, Learning and Development.

Course Delivery

The course is delivered at the University of Suffolk at East Coast College (Lowestoft Campus). Students studying full-time on FdA Children's Care, Learning and Development are likely to

⁷ Modules are designated as either mandatory (M), requisite (R) or optional (O). For definitions, see the [Framework and Regulations for Undergraduate Awards](#)

DEFINITIVE COURSE RECORD

have approximately 7 contact hours per week. The contact hours will be a mix of lectures and seminars. Students are expected to be in suitable work in the sector or in a voluntary placement working with children. Students should undertake 20 hours a week of work placement for the two semesters or 15 hours a week if they work all year with children. Students will need to arrange any voluntary placements themselves and must have a mentor in the work place or placement. Full time students will normally be expected to undertake 10-15 hours of independent study in an average week, but should be prepared for this to vary based on assignment deadlines and class exercises.

Course Assessment

A variety of assessments will be used on the course to enable students to experience and adapt to different assessment styles. The assessment methods used will be appropriate to assess each module's intended learning outcomes. Assessment on the course overall will be coursework including essays, reports, presentations, seminars and portfolios.

Course Team

The academic staff delivering this course are drawn from a team that includes teaching specialists and current practitioners. All staff are qualified in their subjects with their own specialist knowledge to contribute.

Course Costs

Students undertaking FdA Children's Care, Learning and Development will be charged tuition fees as detailed below.

Student Group	Tuition Fees
Full-time UK/EU	£8,220 per year
Part-time UK/EU	£1,370 per 20 credit module
Full-time International	£11,790 per year
Part-time International	£1,965 per 20 credit module

The cost of the DBS is the responsibility of the student or the placement.

Payment of tuition fees is due at the time of enrolment and is managed in accordance with the Tuition Fee Policy.

There will no additional costs to the students other than for the usual stationery supplies. The use of a computer with internet access is an essential part of this course.

Academic Framework and Regulations

This course is delivered according to the Framework and Regulations for Undergraduate Awards and other academic policies and procedures of the University and published on the [website](#).
