employability is enhanced. A combination of theoretical and practical work will prepare students for further study or employment. Established effective partnerships with a range of employers in the sectors, ensures that students benefit from having a balance of practical work-based experience to evaluate and analyse in their academic life.

The additional sandwich year at the end of Level 5 enables students to engage in professional placement (either in the UK or overseas) and study abroad each for one semester. The professional placement provides a valuable opportunity for students to put theory into real-life practice, enhancing their skills and understanding of the business environment and expanding their professional networks. Study abroad enables students to develop relevant marketable skills, immerse themselves into another language and culture and enhance their personal development.
