DEFINITIVE COURSE RECORD

Course Summary

The Event and Marketing Management programme is designed to give students as wide an experience as possible; the sectors offer so many opportunities for growth and contribution to the economy, and students will gain many skills and competencies to help to ensure employability is enhanced. A combination of theoretical and practical work will prepare students for further study or employment with these two areas being complementary to each other. Established effective partnerships with a range of employers in the sectors ensure that students benefit from having a balance of practical work-based experience to evaluate and analyse in their academic life.

Course Aims

- To enable students to have a critical understanding of the management and implementation of events and marketing.
- To enable students to gain knowledge in the key areas of event and marketing management, including ethical, sustainability and safety issues.
- To enable students to develop knowledge of appropriate theories, principles and practice of management within the events and marketing sectors.
- To give students the opportunity to apply knowledge in practical situations.
- To enable students to develop essential skills through reflective practice.
