Delivering Institution	University of Suffolk

This definitive record sets out the essential features and characteristics of the MSc Public Health Nursing Practice [progression route] course. The information provided is accurate for students entering level 7 in the 2022-23 academic year⁵.

Course Summary

The MSc Public Health Nursing Practice is a progression route for students who have successfully completed the PGDip in Specialist Community Public Health Nursing since 2021 and wish to continue their academic study. It provides an opportunity to contribute to their own professional field of knowledge. Critical evaluation of either published primary research papers or data generated from a small scale study aims to facilitate development of the students' knowledge and understanding in relation to both the research process and the evidence base underpinning their own professional practice. This enables students

Course Aims

- To enable students to meet the challenges of undertaking research at master's level within their field of practice

¹ For an explanation of the levels of higher education study, see the [QAA Frameworks for Higher Education Qualifications of UK Degree-Awarding Bodies \(2014\)](#)

² All academic credit awarded as a result of study at the University adheres to the [Higher education credit framework for England](#).

³ Where the course is delivered both full-time and part-time, the standard length of course is provided for the full-time mode of attendance only. The length of the part-time course is variable and dependent upon the intensity of study. Further information about mode of study and maximum registration periods can be found in the [Framework and Regulations for Taught Postgraduate Awards](#).

⁴ Details of standard entry requirements can be found in the [Admissions Policy](#) and further details about Disclosure and Barring Checks (DBS) can be found on the [University's DBS webpage](#).

⁵ The University reserves the right to make changes to course content, structure, teaching and assessment as outlined in the [Admissions Policy](#).

DEFINITIVE COURSE RECORD

Course Learning Outcomes
