This definitive record sets out the essential features and characteristics of the BA (Hons) Social Work course. The information provided is accurate for students entering level 4 in the 2022-23 academic year<sup>5</sup>.

### Course Summary

The BA (Hons) Social Work Course is designed to prepare students for the constantly changing and challenging environment of social work and social care practice. It combines a clear academic focus on the theoretical underpinnings of social work with careful attention to practice skills, knowledge and values and personal and professional development. Relevant knowledge and theory for practice includes psychological and sociological theories applied to a range of practice contexts, approaches to research and evidence informed practice, knowledge and understanding of law and policy. Employers in the statutory and private, voluntary and independent sectors provide practice-learning opportunities for levels 2 and 3.

## DEFINITIVE COURSE RECORD

In addition, skills development is supported through practice workshops with service users and practitioners, focusing on, for example, communication, direct and specialist work, and inter-professional practice. Study time is built into the programme for students to pursue their own increasingly independent learning and in Year 3; students are expected to develop this to produce a dissertation with individual supervision.

### Course Aims

The aims of the BA (Honours) Social Work degree course are:

- At the point of completion of the course to produce social work graduates who meet nine Professional Capabilities Framework domains (owned by the British Association of Social Workers) and six Professional Standards (Social Work England) at qualifying level, and who are eligible to apply for professional registration as social workers with Social Work England;
- To deliver a coherent curriculum that is relevant to contemporary social work practice, which is evidenced and informed by up-to-date theory, research and practice knowledge, social work values and practice developments;
- To utilise diverse teaching, learning and assessment methods which support the development of competent, thoughtful and reflective practitioners, committed to personal and professional development with a sound ethical base, in line with: the Benchmark Statement for Social Work (QAA, 2019); Social Work England Professional Standards (SWE, 2019) the Professional Capabilities Framework (BASW, 2018), the curriculum guides (Higher Education Academy, 2012) and SWE Qualifying Education and Training Standards (2021).
- To work closely with key partners (external examiners, employers, social work managers and practitioners, people who use services, students and other professionals) to ensure that the course is informed by their views and responsive to their needs in order to ensure the relevance of the course for contemporary social work practice and to promote graduate employability.

### Course Learning Outcomes

The following statements define what students graduating from the BA (Hons) Social Work course will have been judged to have demonstrated in order to achieve the award. These statements, known as learning outcomes, have been formally approved as aligned with the generic qualification descriptor for level 6 awards as set out by the UK Quality Assurance Agency (QAA)<sup>6</sup> and are mapped against Social Work England Professional Standards and the Professional Capabilities Framework (BASW).

1. Understanding of what the regulatory (SWE) body requires of them as qualified social workers.
2. Professional competence and accountability in safely undertaking social work duties, tasks and responsibilities (PS 3 and 6)
3. Development in a range of cognitive, analytical, critical and reflective skills so that they can utilise assessment frameworks and undertake risk assessments, recognising and responding to abuse and neglect (PS 3).

<sup>6</sup>As set out in the [QAA Frameworks for Higher Education Qualifications of UK Degree-Awarding Bodies \(2014\)](#)

## **DEFINITIVE COURSE RECORD**

4. Subject-specific knowledge and understanding to inform professional practice to include application of appropriate legal frameworks (PS 3 and 4).
5. Practice that is based on social work principles and values as embodied in BASW's (2018) Professional Capabilities Framework and the SWE's (2019) Professional Standards (PS 1, 5 and 6).
6. Development of appropriate boundaries, resilience and of strategies to manage challenges and change within the increasingly complex and demanding social care context to maintain fitness to practice (PS 4).
7. Development of a strong and positive approach to social work which emphasises the high standards and achievements that competent and capable social workers who are fit to practice can accomplish (PS 3).
8. Development as an effective and autonomous professional whose assessment and decision-making skills and recommendations reflect sound professional judgements within an uncertain and complex professional context (PS 2, 3, 4 and 5).
9. Demonstrate understanding of the impact of cultural factors, equality and diversity in practice contexts and be able to practice in an anti-discriminatory way, promoting social justice, equality and inclusion (PS 2, 3 and 6).
10. Have the knowledge and ability to share information within appropriate boundaries (PS 4 and 6)
11. Be able to effectively communicate in all areas of practice with people who use services, carers and other professionals both verbally and in written form (PS 2).
12. Be able to make and maintain appropriate professional relationships with others, networking and working in partnership with individuals and teams including a commitment to multi-disciplinary/inter-professional practice (PS 2).
13. Demonstrate an ability to review and reflect on practice, think critically and draw on appropriate knowledge to assure quality in practice (PS 2, 3 and 4).
14. Demonstrate an understanding of the knowledge base of the profession (theories for understanding and theories for intervention, values, legislation and policy, research for practice, and multi-disciplinary roles and organisational contexts and wider societal contexts) and use these to inform and respond to changes in practice (PS 2).
15. Act in a way to uphold safety and minimise risk for colleagues, people who use services and self by establishing and maintaining a safe environment for practice (PS 5 and 6).
